

TECHNICAL DATA SHEET

Diadeem

all purpose cleaner

Product features

- Diadem All-purpose cleaner is a professional cleaner suitable for cleaning very soiled washable parts.
- Fast and streak-free cleaning of water-resistant floors, plastics, metals, garden furniture, etc.
- Also suitable for cleaning leather, fabric and leatherette upholstery.
- Thanks to its many applications, this product is a replacement for a large number of cleaners with specific applications. 75 packages per pallet.
- Effortlessly removes insects and brake dust on metal rims.

Directions for use

- PAY ATTENTION! This is a professional product, the effect is many times stronger than a consumer product.
- Read the user manual carefully first.
- Apply product and immediately afterwards wipe with a dry cloth or rinse (car wash).
- Use as upholstery cleaner: before use, first check the upholstery in an inconspicuous place for color fastness, water resistance, etc.
- Spray the all-purpose cleaner and loosen the dirt with a brush. Wait a few minutes to allow the dirt to soak off.
- Remove the all-purpose cleaner with a dry, clean, soft cloth that absorbs well. –
- Use with clear plastics such as PET and Polycarbonate (headlights): Spray and wipe immediately with a dry cloth. NEVER let it dry! Risk of dullness if used incorrectly!
- Also removes tar and grease stains.
- Store frost-free.

Typical inspection data
